2012 Community Needs Assessment and Indicators

Garfield County, Oklahoma

The Enid Metropolitan Area Human Service Commission undertook an analysis of previous community needs assessments and elected to select a series of indicators that would be examined on a regular basis. The indicators were selected in various areas and the source of data is provided.

Staff services for the report, including research and writing, were provided by Community Development Support Association, Inc. (CDSA). Data related to the indicators is archived by CDSA.
